

**Smurfit Kappa Mexico**, world-leading, paper-manufacturing multinational is seeking to recruit a **Financial Internal Auditor** to join its American internal audit team, based in **Mexico City**.

This position is suitable for individuals who are seeking to join a global audit multinational team of over 20 auditors, to develop their skills through a structured, purpose-built training programme and broaden their knowledge through reviews performed across the Americas region; with **the goal of progressing** to more senior roles within the department and the business operations

**Academic background:**

- University Degree in Accounting, Economics, Industrial Engineering or similar
- Masters level and/or a recognized accounting qualification (a plus)

**Experience in:**

- Professional auditing firms
- Minimum 3-4 years' experience in financial positions, auditing (external or internal) ideally in manufacture sector or in industry
- Strong understanding of financial cycles and corresponding control functions

**Main tasks and responsibilities:**

- Use your analytical skills to identify risks and key areas of testing
- Apply your understanding of controls and risk to audits and reviews
- Share your knowledge with your colleagues and learn from them
- Develop your communication skills to convey control weaknesses and recommend improvements

**Languages:**

- Fluent in English (80%)

**Personal qualities:**

- Strong analytical skills
- **Excellent (80%) English** communication skills, both verbal and written
- Ability to meet deadlines and get the job done
- Leadership skills, team player, well balanced
- Ready to listen and learn in a hands on environment
- Driven and self-motivated: This role can help accelerate your career within the Group

**Available to travel 50% of the time**

**¿Que ofrece Smurfit Kappa Group?**

-Contratación directa con Smurfit Kappa

-Prestaciones superiores a la Ley

-Incluye generosos beneficios, por ejemplo: 30 días de Aguinaldo, Fondo de Ahorro, vales de despensa y mucho más.
